

Town of Mansfield

6 Park Row, Mansfield, Massachusetts 02048

Roadwork Notice

Eastman Street (Rte. 106) Sewer Main Installation

(Intersection of Eastman & East St to Easton Town Line)

The Town of Easton, under an existing Intermunicipal Agreement with Mansfield, is connecting to the Mansfield sewer system. Construction will start on June 20, 2016 at the existing sewer manhole at the intersection of Eastman Street (Rte. 106) and East Street and then continue along the northern (left) side of the road until Mystic Lane. The line will cross to the south side of Rte. 106 by Mystic and then run in the shoulder of the road from Mystic Lane to the Easton town line.

Two (2) way traffic will remain open during construction but delays may be expected.

The anticipated construction duration in Mansfield is approximately six (6) weeks.

If you have any questions please contact the DPW Office at 508-261-7335 or lazinheira@mansfieldma.com. Please refer to www.mansfieldma.com for updates.
