MEETING NOTICE

August 17, 2016 – 6PM

Town Hall, 2nd Floor Meeting

A meeting is scheduled to get input from the neighbors regarding proposed corridor improvements starting at the North Main Street underpass and continuing northerly to the Foxborough town line.

The proposed corridor improvements will include bicycle accommodations, sidewalks, and a potential new mini-roundabout at the North Main Street and County Street intersection and address the groundwater issue/pavement structure of the North Main Street underpass. The project is currently in the conceptual stage and the Town is working with MassDOT to try to obtain state funding for the proposed improvements.
