ONE & TWO FAMILY PLUMBING AND GAS FEE SCHEDULE

Permits are not refundable or transferable

- **Minimum Plumbing/Gas Permit:** Work not specifically addressed in this schedule, which may require a plumbing/gas permit. Fee: \$25
- **Reinspection:** When an inspection is requested and the work is not ready, not acceptable, or not accessible by means of a set of stairs. This fee is to be paid at the Building Department prior to the reinspection. The Inspector shall receive the full fee. Fee: \$25
- Where work for which a permit is required or has been started without first obtaining a permit, the above fees shall be doubled, but the payment of such fees shall not affect the penalty for violation prescribed in the State of Massachusetts Plumbing & Gas Code.
- A request for an inspection, or a reinspection must be made by the licensed plumber/gas fitter. All testing equipment must be inside of building. There will be one rough inspection and one final inspection. Each additional inspection will be \$25.
