## Reconstruction of a Portion of School St & Elm St

**The DPW-Highway Division has scheduled the reconstruction of School St (from Plymouth St to Elm St) and then Elm St (from School St to Oak St) to start May 9<sup>th</sup> 2016.**

This work involves several phases as indicated below, please be aware that the dates given are approximate and subject to change based upon weather and individual contractor schedules.

**Phase 1 – Milling, begins on Monday May 9<sup>th</sup> and is expected to take three days.** This phase involves milling approximately 20% of the existing asphalt surface. This work may involve both traffic detours and delays.

**Phase 2 – Full depth repairs of potholed areas..** This will be done as needed immediately following milling.

**Phase 3 – Asphalt Leveling-** This phase involves the placing of an asphalt leveling course of pavement. Schedule pending contractor confirmation

**Phase 4- Adjust Castings** – This phase involves the raising of castings in preparation for final paving.

**Phase 5- Final Paving** - Schedule pending contractor confirmation

**Please be aware that upon final paving, the road will have a five (5) year “no dig” moratorium.**

We apologize for any inconvenience this may cause, however this work is necessary in order to maintain the goals of Mansfield's pavement preservation plan. Please be aware that the construction schedule is subject to change depending on weather conditions. **If anyone is considering adding or upgrading water, sewer or gas services, please schedule it immediately with the appropriate utility and also notify the DPW.** If you have any questions please contact the DPW Office at 508-261-7335 or [mcook@mansfieldma.com](mailto:mcook@mansfieldma.com). Please refer to [www.mansfieldma.com](http://www.mansfieldma.com) for updates.
