

The Board of Selectmen is proud to support a variety of organizations and non-profits through co-ordination and guidance with special events that contribute to the energy of the Town. The purpose of the Special Event Application is to aid organizers and volunteers through the Town's permit process and event coordination.

If you are planning an event, please complete the application and submit, 30 days prior to the date of the event, to the Board of Selectmen's Secretary Tracey Whalen at twhalen@mansfieldma.com or contact her at 508-261-7372. We are committed to the success of your event.
