Roadwork Notice

Willow Street Culvert Repair

The DPW – Highway Division has scheduled for the lining of a culvert on Willow Street by Cabot Pond (between house No. 207 and 208) starting on Monday, August 29, 2016.

The project consists of installation of a new liner inside of an existing deteriorated culvert.

The construction is expected to take approximately one (1) week. During construction expect daily detours and road closures, please refer to attached detour map. The road will remain open to emergency vehicles, school buses and trash trucks.

Tentative construction schedule is 7:00AM to 5:00PM but may run later if needed to complete lining installation work on Tuesday.

If you have any questions, please contact the DPW Office at 508-261-7335 or lazinheira@Mansfieldma.com. Please refer to www.mansfieldma.com for updates.
