***Vote to approve revised FY20 Budget number:***

At the April 2, 2019 joint meeting with the Finance Committee and Select Board; it was determined that \$155,530 was removed from the technology budget and placed in Capital. Tonight the committee will approve the revised budget total of \$51,634,994.

RECEIVED

2019 MAY - 8 A 11: 23  
MANSFIELD  
MASSACHUSETTS

**Motion** to approve the revised FY20 budget bottom line of \$51,634,994 by Linda Fernando / Jenn Walsh.

**Discussion:** The committee reviewed the total dollar amount removed and discussed the process of it being added to CIP. There was some concern since these are not one time costs. Did this impact our other CIP requests? There was no impact to the current CIP requests. These will be paid from funds taken from Free Cash. Therefore no additional approval of CIP is necessary.

**Motion Carries 5 - 0**

**Workshop:**

At the request of the school committee, Joshua Fogel has put together an overview of navigating through DESE reporting. There is an incredible amount of information that can be obtained about our district, how we compare to other districts and the state. Joshua reviewed the website and then allowed the committee to practice searching for various items. Some high level discussions were held on the data content. However, no specifics were discussed at this presentation.

**Motion to adjourn:** At 7:44 p.m., Chair O'Neil asked for a **Motion** to enter executive session pursuant to M.G.L. Chapter 30A, Section 21 for the Following Purposes: Under Exception No. 4: To discuss the deployment of security personnel or devices, or strategies with respect thereto:
