KEEP MANSFIELD BEAUTIFUL

Welcome & Call to Order

- Meeting called to order at 7:00pm.
- Minutes accepted from previous meeting and signed by Jeff Ward.

Treasurer's Report

- The current balance is \$20,718. Also have \$2,371 at Mansfield Bank.

High School Environmental Club / Tree-Plenish

- Lizzy and Sethu came to the meeting to talk about the highly successful Tree-Plenish initiative as well as introduce Nick Delucia
 - Tree-Plenish:
 - All trees ended up getting planted
 - Another event in Attleboro was happening 2 weeks later in May
 - Sethu has pictures and video
 - All recipients of trees paid in cash or online
 - Final total still needs to be tabulated
 - Mike/Sethu to follow-up on funds generated
 - Moving forward, we've established a better way to track/manage money for KMB and Tree-Plenish. Mansfield Bank will be Tre-Plenish Account and the Town Account will be KMB
 - Nick Delucia:
 - With Lizzy and Sethu graduating this year, the hope is that Nick and his classmates will continue the great work being done by the High School Environmental Club.

Fundraising Update

- Fresh Catch ended up giving \$150 even though donation night didn't really pan out
- Timing was challenging with Fresh Catch and Mooya fundraisers happening so close to each other and more importantly, close to the Cleanup.
- We talked about doing it a different time of year. So let's come up with a new Fund Raiser Partnership that we can promote at Family Fun Night.

Clean-Up Follow-Up

- We believe overall numbers may be impacted by kids' activities
- We thought potentially acknowledging this in the future when we communicate by simply saying that the cleaning can happen anytime throughout the weekend
- Precinct Leaders should share cell phone numbers with each other so that we can share information, resources, people, etc.
- We talked about buying grabbers and gloves – need to price out

Kathryn Janssen / Girl Scout Troup 80260

- Kathryn is looking for project ideas to earn Girls Scout Gold Award. The project needs to be educational and sustainable.
- Kathryn had a great idea of targeting cigarette butt littering, particularly at Fulton Pond
- Educational signs, web, etc.
- Kathryn is 16 years old – she has until she's 16. So we should stay in touch to see how we can collaborate efforts
