Approve Minutes

Motion: To approve the minutes from June 20, 2019. Passes.

ACO's Report

- Zoey (dog) is skittish and nervous. Zoey needs to get vaccination boosters before going home in August with the volunteer who is adopting her.
- Miko is also scared and nervous. A Shiba Inu rescue will take Miko on Saturday, and put him in a foster home. Vaccinations are up to date.
- A green iguana that was found in a parking lot is in a cage in the office. Jeff fed the iguana greens: kale and collards. The iguana will probably be picked up by a rescue tomorrow.
- Jeff sent a letter via M.P.D to town counsel, inquiring about the town's responsibility regarding a surrendered cat who bit and scratched a family member during the chaos of moving day.

Kittens

Sharon has two, eight week old kittens that were trapped at Lawton Farm: a DLH black female, and a DSH blue/gray male. They will probably come to the shelter within a week.
