NOTICE COMMUTER PARKING

We are pleased to inform you that the Town of Mansfield is changing the payment parking vendor for the commuter lots from ParkMobile to PaybyPhone.

PaybyPhone is the vendor that is used at MBTA managed lots and will make it easier for people who may use different stations and will also provide a cost saving to the Town.

As some of you may have already noticed, we had new signs out July 1, 2019 for a soft start. The formal roll out date is July 15, 2019 at which time a representative from PaybyPhone will be at the platform in the morning to hand out information to commuters.

We will run both systems through July 31, 2019 but encourage everyone to switch to PaybyPhone as soon as possible.
