ARREST MADE

We would like to thank all of our law enforcement partners and our faithful followers for all of the information and tips that lead to the arrest of Kevin Gearhart.

Gearhart has been charged with **B&E nighttime for a felony, B&E vehicle/boat nighttime, Larceny from a Building, Larceny over \$1,200, Conspiracy, Possession of Burglarious Tools, and Fugitive from Justice (NH)** for the breaking and entering of the occupied home on Stearns Avenue early Tuesday morning.

Gearhart was spotted by the very vigilant Officer Colin Campbell of the Tufts University Public Safety Police who alerted Mansfield Police Department to Kevin's presence. Detective Ken Wright, Officer Patrick Pennie, and Trooper Giordano of MSP VFAS Unit responded to Tufts Medical Center where Gearhart was located and placed into custody. Gearhart was transported back to Mansfield for processing and brought to the Attleboro District Court for arraignment. The second suspect has been identified and the investigation will lead to additional charges and arrests. The successful conclusion to the appalling violation of our neighbor's home would not be possible without the collaborative efforts of our friends at the Massachusetts Department of Corrections and the cooperative relationship we enjoy with all of our law enforcement partners. And as always, Thank you Mansfield!
