January 1, 2020

To the Mansfield Select Board, Mansfield Finance Committee, and the Citizens of Mansfield, I bid you welcome:

I am proud to present to you the Town of Mansfield's proposed Fiscal Year 2021 budget and this accompanying budget message. The Mansfield Town Charter states that "*The Town Manager, no later than the first Monday in January of each year, shall submit to the Select Board and Finance Committee a proposed budget and a proposed capital improvement program for the ensuing fiscal year with an accompanying budget message and supporting documents*". Thus, I have complied with the Town Charter's mandate. With that said, please know that there is much work to be done before a revised final budget is resubmitted to you for consideration.

As currently presented, the Fiscal Year 2021 General Fund Budget contains a deficit of approximately \$2.06 million. The amounts contained herein are the requested budgets from the Town's department heads. Beginning today, and over the course of the next few months, I will be reviewing each department's proposed spending plan. As soon as a balanced budget is achieved, I will submit a second Town Manager's Budget Message that will more thoroughly discuss the assumptions that I have made and the challenges that the Town faces in Fiscal Year 2021. At that time, I will also update the Town's website and ask for your budget binders to be returned so that they may be updated with the final balanced budget documents.

As you are aware, the budget process is a time-consuming all-inclusive process that considers all of the Town's stakeholders. The goal is to fashion the best budget possible given Mansfield's fiscal constraints. I look forward to working with the Select Board, Finance Committee, School Committee, department heads, and concerned citizens to ensure that the Town's best interests are expressed in the Fiscal Year 2021 budget presented for approval at the May Annual Town Meeting.

Respectfully submitted,

Kevin J. Dumas,
Town Manager
