RE: CORI Requirements for Youth Organization Permit Holders

The State of Massachusetts requires CORI searches of all related personnel of youth leagues. The president or official representing the league must sign the following statement.

On behalf of the _____ (League/Organization/Program), I attest that all coaches, personnel, board members and other staff persons of such organization, have been the subject to a CORI, which has disclosed no offenses for which these persons has been either convicted or adjudicated.

Please print. _____
