Children ages 3 to 11 years old Monday, September 21 - Wednesday, October 21 FREE Community Event

During these times of programs and activities being cancelled, we thought we would offer a new event. Fall is a beautiful season in New England and Scavenger Hunts can be enjoyed by the whole family.

Take the next couple of weeks to explore your neighborhood and places you enjoy visiting. Share what you have found/collected through a photo, a drawing or bring it in a bag to show us what you found. You can then drop off your form to the Parks and Recreation Department to be put in a “raffle” for a seasonal prize. Only one prize will be given per scavenger hunt.

We will be posting these scavenger hunts up seasonally to keep on exploring the wonders of each season.
