# **Paving Notice**

## **Maple St**

Dear Mansfield Resident:

We are reaching out to inform you that the DPW-Highway Division has scheduled base paving for Maple Street to be completed on Thursday October 22, 2020, weather permitting. This is the first of two courses of paving, the second course will be placed on or about Friday October 30, 2020

Work crews will arrive onsite at approximately 5:00am and will begin the layout process, with paving beginning at 6:00am. Barring breakdowns or other delays, paving should be completed by 7:00pm.

During the paving operation, the road will be closed to thru traffic and local traffic should expect significant delays. If you will need to leave your property in a vehicle please plan accordingly. There will be no parking allowed on the roadway. When it is safe to travel Police Officers will open the road to traffic.

Paving will involve:

- 30+ large trucks and 5 pieces of equipment, consisting of the paver and 4 rollers. This equipment is very large and some pieces of equipment are very loud and dangerous for anyone not working with the crew to be around.
- Temperature of the asphalt that is used to pave roads can reach 325 degrees as it is being placed, and cools very slowly. Because of the high temperatures, touching it can cause severe burns to people and animals. For the above reasons, work areas are inherently dangerous for anyone especially kids to be in or around, we ask that you work with us to make the worksite safe by keeping kids and pets away from the area while work is being done.

Police Officers will be placed around the work site to help keep the area safe. If you have any questions about driving in or around the area, please make contact with an Officer before proceeding into or out of the area.

We apologize for any inconvenience this may cause, however this work is necessary in order to maintain the goals of Mansfield's pavement preservation plan. Please be aware that the construction schedule is subject to change depending on weather conditions. If you have any questions or would like to review the plans, please contact the Highway Division at 508-261-7336 or [highwaydiv@mansfieldma.com](mailto:highwaydiv@mansfieldma.com). Please refer to [www.mansfieldma.com](http://www.mansfieldma.com) for updates.
