

# Flexible Spending Open Enrollment Period

Town of Mansfield

Now through 9/20/2018

## What is Flexible Spending?

Flexible Spending Account plans are a tremendous opportunity for you to enhance your benefits package. Your employer is aware that these are highly beneficial programs and wants all of its employees to have the opportunity to participate in an IRS Section 125/Flexible Spending Account Plan administered by Cafeteria Plan Advisors, Inc.

Most employees pay for dependent care and health care expenses on an after-tax basis. Flex programs allow you to set aside a portion of your paycheck tax free to pay for these eligible expenses. The result is a reduction in your taxable income, which will give you an increase in your take home pay. Don't miss out on this opportunity to save an average of 30%, depending on your tax status!

## Health Care Account

Employees may set aside up to **\$2,650** per plan year to pay for out-of-pocket health care expenses for themselves and their family members. Examples include:

- Copays for office visits and prescription drugs
- Health and Dental Deductibles
- Orthodontia and other dental expenses
- Contact Lenses, eye glasses, laser eye surgery
- Visits for Chiropractic Care or Acupuncture

## Dependent Care Account

Employees can set aside up to **\$5,000** per plan year to pay for out-of-pocket dependent care expenses for children under the age of 13 or elderly parents. This includes:

- Day Care
- Before School Care & After School Care
- Summer Day Camp
- Elder Care

Although you can claim dependent care expenses when you file your taxes, in most cases, people are able to save more money this way. Dependent Care participants must complete a [Dependent Care Claim Form](#) each new plan year for reimbursement.

## PLAN YEAR

10/1/2018 – 9/30/2019

## Rollover

If you do not spend your money by the end of the plan year, you are allowed to roll over a maximum of \$500 from your health care flexible spending account and the full parking and transit balance. You must re-enroll in order for the funds to roll into the new plan year. NOTE: Funds won't roll until after the 90 day run out period for the prior plan year as employees have 90 days to submit receipts with services that fell within the prior plan year that they did not use their card for.

## Benefits Card

New Health Care Account FSA participants will receive two Benefits cards. Your spouse or IRS dependent can sign the second card. Cards arrive pre-loaded with the amount you elected, and can be used the first day of the plan year. You may use your benefit card to pay for eligible expenses at the point of sale.

**Do not throw your cards away when you have exhausted your election –** when you re-enroll in the following plan year, your new election value will be added to your existing card.

## How it Works:

- It's as simple as using the 'available funds' in your account that are loaded on to your Benefits Card, or just saving your receipts and submitting them, along with the [Health Care Expense Claim Form](#) to Cafeteria Plan Advisors.
- Participants are required to have the funds 'available' in your account. Reimbursements or the benefit card will not work if an amount exceeds your current balance!
- Expenses must be incurred (not paid) within the plan year.
- Current Participants must re-enroll each new plan year to continue in the flex plan.
