How Your Plan Works

Receiving care from a participating network dentist will save you money. To make sure you get the maximum out of your dental plan, it's important to know how your plan works.

The Altus Dental network includes many dentists in your area. We are the largest Preferred Provider Organization (PPO) in the state. We also offer access to dentists nationwide through the CONNECTION Dental network. All of our network dentists pass our rigorous credentialing process.

How to Find a Dentist

Choose from Altus Dental's extensive network of dentists. With a continually expanding list of participating dentists, you're sure to find one that's right for you.

Visit altusdental.com to use our online Find a Dentist tool. You can see if your current dentist participates with us or look for a new dentist by searching by name, location or specialty. If your card displays the CONNECTION Dental logo, you have access to a national network of dentists and specialists. Enter your address or other criteria important to you (extended hours, languages spoken, etc.), and our tool will return a list of dentists that meet your needs — as well as maps and driving directions.

*Thanks for choosing
Altus Dental – we look forward
to providing you and any
covered family members
with quality dental benefits.*

Maximize your coverage with participating dentists

In-network care

When you receive care from a participating dentist, your out-of-pocket costs will be less. That's because the dentist has agreed to accept the allowance as full payment, minus any coinsurance and applicable deductibles, which means no "balance billing." Participating dentists also handle paperwork and inquiries directly with us.

Out-of-network care

You have the freedom to see a dentist who does not belong to our network. However, when you go to a non-participating dentist, it will usually cost you more money. That's because non-participating dentists expect you to pay for any difference between the amount Altus Dental allows and the amount the dentist charges.

You may also have to file the claim yourself and be reimbursed by Altus Dental.
