Vaccine Distribution in Mansfield as of April 8, 2021

■ Population ■ Fully vaccinated individuals ■ Partially vaccinated individuals

* vaccine use is currently only approved for ages 16 and above

- **When You've Been Fully Vaccinated**

If you are fully vaccinated against COVID-19, you can start doing some things again, like gathering indoors with other fully vaccinated friends and family without wearing masks.

Continue to take preventive steps when in public spaces to protect yourself and others:

- Wear a mask, stay at least 6 feet apart from others, and avoid crowds and poorly ventilated areas.
- Avoid travel, both at home and abroad.
- Watch out for COVID-19 symptoms. If you do have symptoms, get tested and stay home.

For more on CDC's recommendations for people who are fully vaccinated, see <https://bit.ly/3btJaFU>

People are considered fully vaccinated:

- 2 weeks after their second dose in a 2-dose series, such as the Pfizer or Moderna vaccines, or
- 2 weeks after a single-dose vaccine, such as Johnson & Johnson's Janssen vaccine received on or before April 12th.

If you don't meet these requirements, you are NOT fully vaccinated. Keep taking all [precautions](#) until you are fully vaccinated.

- Vaccine Eligibility Timeline

- [Steps to Get Your Vaccination](#)

Step 1: Check your eligibility below or [use our tool](#)

Step 2: Preregister for a mass vaccination location or find a location and schedule your appointment

There are different ways to find a vaccine appointment:

- Preregister at VaccineSignUp.mass.gov to be notified when it's your turn to schedule an appointment at one of [7 mass vaccination locations](#).
- Use VaxFinder.mass.gov to search for appointments at pharmacies, health care providers, and other community locations

Massachusetts receives a limited supply of COVID-19 vaccine doses from the federal government each week. Due to high demand and very limited supply, it may take several weeks to schedule an appointment or to be notified that an appointment is available at mass vaccination locations.

Council on Aging staff is available to assist any vaccine-eligible seniors who need help navigating the scheduling process. Please call 508-261-7368.

Step 3: [Prepare for your appointment](#)

COVID-19 vaccines are **SAFE & EFFECTIVE**

Millions of people in the U.S. have received COVID-19 vaccines under the most intense safety monitoring in U.S. history

CDC recommends receiving COVID-19 vaccines as soon as you are eligible
