

Town of Mansfield

6 Park Row, Mansfield, Massachusetts 02048

Roadwork Notice

Park Street Road Closure

Please be advised that Park Street will be closed to through traffic on October 16th – 19th (Tuesday – Friday) specifically where the bike path crosses Park Street between No. 15 and No. 43. The road will be reopened to through traffic before the end of the workday Friday. Please note that all residents will have access to their homes via alternate routes.

The Mansfield Highway Division is installing a raised speed table at the crossing and we need to allow the concrete time to cure. Message boards, road closure signs and detour signs are in place.

We apologize for the inconvenience but the schedule of this work was conditional on weather and needs to be completed ahead of final paving. A notice with a final paving date is expected to be delivered with the next two (2) weeks.

If you have any questions or concerns, please contact the Highway Division at 508-261-7336 or highwaydiv@mansfieldma.com.
