■ Population ■ Individuals with booster doses ■ Fully vaccinated individual, no booster ■ Partially vaccinated individuals

Booster doses recommended for 16+

- [Mask Mandate for all public spaces within Mansfield](#)

# FACE MASK

# REQUIRED

Per Order of the Mansfield Board of Health, effective January 12, 2022, anyone over the age of two entering this establishment must wear a face covering, regardless of vaccination status. Masks are to be worn to completely cover a person's nose and mouth.

*Thank you for your cooperation!*

Due to the rapid rise in cases in the Town of Mansfield, the Mansfield Board of Health has enacted an emergency order requiring masks for all individuals aged two years and above in all indoor public spaces, places of worship, or private spaces open to the public except where an individual is unable to wear a face covering due to a medical condition or disability. This mandate will be in place until February 28, 2022.

Additional information can be found on the Coronavirus webpage: [Coronavirus Information | Mansfield, MA \(mansfieldma.com\)](#)

- [Public Health Advisory regarding COVID-19 Testing](#)

### **When should I get tested?**

The Massachusetts Department of Public Health advises all residents to seek COVID-19 tests when exhibiting [COVID symptoms](#), or five days following a known close contact with someone diagnosed with COVID pursuant to MA DPH quarantine and isolation protocols, updated in accordance with the new CDC guidance.

### **Important Links for Testing:**

- [Isolation and Quarantine Guidance for the General Public](#)

### If you test positive for COVID-19 (isolate)

Everyone, regardless of vaccination status:

- Stay home for 5 days.
- If you have no symptoms or your symptoms are resolving after 5 days, you can leave your house.
- Continue to wear a mask around others for 5 additional days.

*If you have a fever, continue to stay home until your fever resolves*

### If you were exposed to someone with COVID-19 (quarantine)

**If you:**

Have been boosted

**OR**

Completed the primary series of Pfizer or Moderna vaccine within the last 6 months

**OR**

Completed the primary series of J&J vaccine within the last 2 months

- Wear a mask around others for 10 days.
- Test on day 5, if possible.

*If you develop symptoms get a test and stay home.*

**If you:**

Completed the primary series of Pfizer or Moderna vaccine over 6 months ago and are not boosted

**OR**

Completed the primary series of J&J over 2 months ago and are not boosted

**OR**

Are unvaccinated

- Stay home for 5 days. After that continue to wear a mask around others for 5 additional days.
- If you can't quarantine you must wear a mask for 10 days.
- Test on day 5, if possible.

*If you develop symptoms get a test and stay home*

Addition information about isolation and quarantine can be found at [Covid Information | Mansfield, MA \(mansfieldma.com\)](#)

- [Enable MassNotify on your smartphone](#)

Add your phone to the fight. Know if you've been exposed and help stop the spread of COVID-19.

MassNotify is a tool that works through smartphones, with a focus on privacy, to alert users who may have been exposed to COVID-19. You can enable MassNotify on your iPhone or Android phone to add another tool to our fight against the spread of COVID-19.

- By opting in, your device will share anonymous codes with other MassNotify users using your phone's Bluetooth.
- MassNotify codes contain no personal information or location data and are completely anonymous.
- If another user you've been near tests positive for COVID-19 within a 14-day period, you will be notified. If you test positive, you can easily and anonymously notify others to stop the spread of COVID-19.

[Learn how to enable MassNotify on your phone.](#)
